

# General Interests of Host States in International Investment Law

7 June 2013 8:45am Room N07 piazza Sraffa 13

**Bocconi**

The volume "General Interests of Host States in International Investment Law" (Cambridge University Press) will be presented. The volume brings together the final results of the PRIN-2008 research project, entitled "Limiting Foreign Investors' Protection vis-a-vis Host States' General Actions in the Public Interest in the Development of International Law", funded by the Italian Ministry of Education, University and Research and developed by Università Bocconi, Università degli Studi di Teramo and Università degli Studi di Milano.
